KEYNOTE SPEAKER

JANET
OHENE-FREMPONG, MS
J O Frempong & Assoc.

Janet Ohene-Frempong

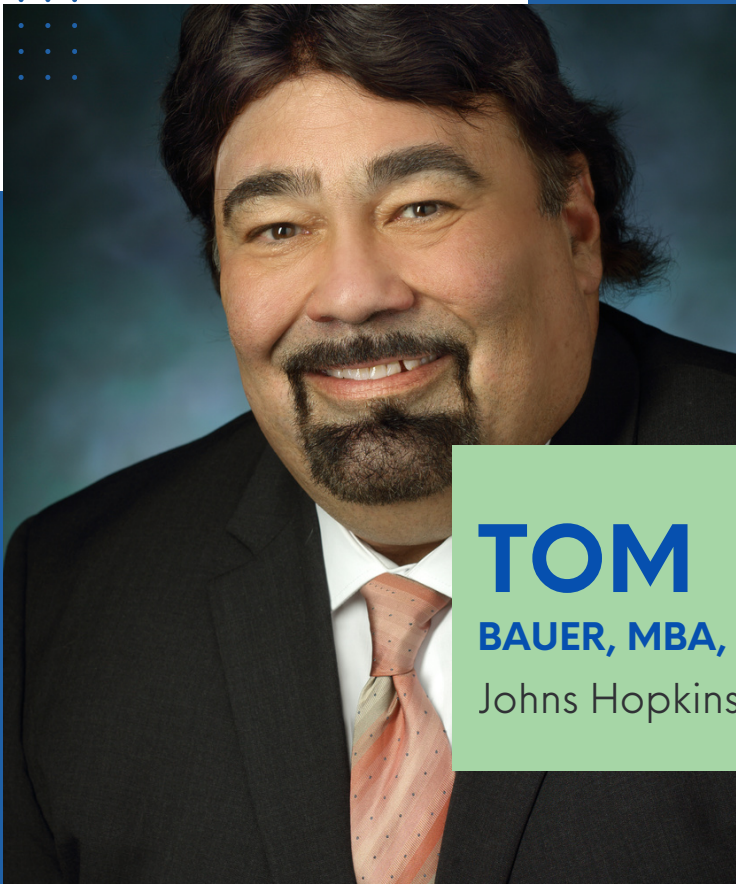

(o-HEN-ee frem-PONG), President of J O Frempong & Associates, Inc., is a plain language and cross-cultural communications consultant with over 25 years of experience in consumer/provider communications.

She has conducted workshops and provided consultation for a wide range of health information, service, and care providers, including: health care systems, government agencies, health insurers, pharmaceutical companies, medical publishers, health and human service agencies and schools of medicine, nursing and allied health. She is often an invited speaker and keynote speaker at national conferences.

Janet is an IHA Strategic Partner for Health Literacy, continuing in her mission to promote health literacy for all – a goal that has intensified as cultural, civic, and even scientific issues have become issues of intense national focus and debate.

MONDAY, SEPTEMBER 29TH

SPEAKER HIGHLIGHT

TOM

BAUER, MBA, (R), (ARRT)

Johns Hopkins Medicine

Tom Bauer, MBA, (R), (ARRT)

Tom Bauer is the Executive Director of Patient Education and Engagement at Johns Hopkins Medicine, with over 20 years of experience advancing patient-centered education.

A nationally recognized leader, Tom has been honored by NASEM, AHRQ, and the VHA for his innovative work in health literacy and patient engagement. He has advised the American Hospital Association and received the Eagle Award for improving health outcomes in North Carolina. Tom's work is grounded in empathy and evidence based practices that driving meaningful change in how patients and families connect with health information.
